## HOUSING COUNSELING SERVICE AGREEMENT

I understand Jordan Community Development Corporation (JCDC) will provide a confidential, comprehensive housing counseling interview, conducted by a housing counselor.

In consideration of the counseling provided by JCDC, I (i) agree to hold JCDC, its employees, agents, and volunteers, harmless from any liability, damages, claim, suit, action, or demand asserted against or incurred by JCDC as a result of advice or counseling which I receive from JCDC; and (ii) do hereby release and discharge JCDC, its employees, agents, and volunteers, from any liability, damages, claim, suit, action, or demand asserted against or incurred by JCDC as a result of advice or counseling which I receive from JCDC.

In order to solve my specific housing problem or other needs, I recognize the need for housing counseling and pledge full cooperation with the counselor. I authorize JCDC, its employees, agents, and volunteers to, on my behalf, contact, consult with, provide information to and receive information from those third parties that it deems necessary, in order to assist me with my housing situation and obtaining any additional services recommended by JCDC.

I authorize JCDC to obtain a copy of my credit report. I understand that as a United States Department of Housing and Urban Development (HUD) approved Housing Counseling Agency, JCDC has been apprised of its requirements regarding credit reports. JCDC agrees to comply with HUD's confidentiality requirements with respect to my credit report.

JCDC, its employees, agents, and volunteers, will make no decisions or take no action, on behalf of me, without my prior knowledge and consent.
